All other public and/or private charges or assessments, including water/sewer charges, ground rent, whether incurred prior to or after the sale to be paid by the purchaser. All costs of deed recordation including but not limited to all transfer, recordation, agricultural or other taxes or charges assessed by any governmental entity as a condition to recordation, are payable by purchaser, whether or not purchaser is a Maryland First Time Home Buyer. Purchaser is responsible for obtaining physical possession of the property, and assumes risk of loss or damage to the property from the date of sale. The sale is subject to post-sale audit of the status of the loan with the loan servicer including, but not limited to, determination of whether the borrower entered into any repayment agreement, reinstated or paid off the loan prior to the sale. In any such event, this sale shall be null and void, and the Purchaser's sole remedy, in law or equity, shall be the return of the deposit without interest. If purchaser fails to settle within 10 days of ratification, the Sub. Trustees may file a motion to resell the property. If Purchaser defaults under these terms, deposit shall be forfeited. The Sub. Trustees may then resell the property at the risk and cost of the defaulting purchaser. The defaulted purchaser shall not be entitled to any surplus proceeds resulting from said resale even if such surplus results from improvements to the property by said defaulted purchaser. If Sub. Trustees are unable to convey either insurable or marketable title, or if ratification of the sale is denied by the Circuit Court for any reason, the Purchaser's sole remedy, at law or equity, is the return of the deposit without interest.
